

JACKSON HARLOW

## LASH AFTER CARE

### **DO NOT**

- wash eyes or shower and avoid steam and sweat for 24 hours after lash application.
- rub or pull eyelashes. be gentle with your lashes
- do not use an eyelash curler on your extensions.
- avoid oil-based and waterproof cosmetic product around the eye.
- do not remove extensions yourself.
- do not cut your eyelash extensions.

### **DO**

- + Clean your eyelash extensions daily with an oil free makeup remover and remember to be gentle!
- + Comb and groom eyelashes daily.
- + Follow advice of your Jackson Harlow lash specialist.
- + Book a retouch every 2-4 weeks or have at least 20% of extensions left, to fill in the areas where your natural lashes have cycled out and new lashes are growing in.

*Eyelash extension products are available to preserve the life of your eyelash extensions.*
